

Installing WordPress Checklist

- ☐ I have purchased my domain
- ☐ I have purchased web hosting
- ☐ I have watched the Installing WordPress video that came with this workshop, as well as any videos on Installing WordPress that my web host has provided
- ☐ I have decided on my username and password (and have written both down, in case I forget what I have chosen)
- ☐ I have decided on my Site Title (this can always be changed in the future)
- ☐ I have decided on my Site Tagline (this can always be changed in the future)

Congratulations – You are ready to install WordPress!
